**Program/Service Notes:**

Non-profit youth agency providing a variety of services for children, youth and families throughout Clackamas County. Services include adult mentors and after school programs for boys and girls in kindergarten through 12th grade, workshops for first-time parents, and camping programs for school aged children. Small groups link youth age K-12 with adult mentors, learning art appreciation, hands-on education about nature and science, doing community service projects, building leadership and self-esteem, learning non-violent conflict resolution, and building skills valuable for home and business. Home visitors provide education regarding infant and child development, support and linkage to other resources. Also offer free play groups at various sites around the county for families with children ages birth to 5 years. Parent Education Program
